We will be releasing a Learning Schedule to guide parents how to do home learning for preschool students using the Semester 2 books and the E-Learners Videos.

If preschool were to resume by July 2020, then normal classes will override the home learning program. However, we would like to be prepared whichever way the wind blows.

## **Opening of School**

NURI have released our NURI COVID 19 SOP and trained staff to operate under the said SOP.

We are ready to start school operations and are eagerly waiting for the authorization to do so.

We look forward to seeing our students again and resume their preschool education.
